Please Recycle.

NON-TOXIC • NON-FUMING
NON-CAUSTIC • NON-FLAMMABLE

Every once in a while a product comes along that changes forever the way things are done. **DE-SCALE** is such a product. This acid alternative was developed to meet the needs and demands of the market place for safety, without compromising performance. **DE-SCALE** is a powerful, yet safer multi-functional cleaner that combines the high cleaning performance of acids with the mildness of liquid dish soap.

DE-SCALE has absolutely no harsh fumes making it safer as well as biodegradable. Foaming formula clings to horizontal and vertical surfaces.

DIRECTIONS:

DE-SCALE can be used full strength or diluted with up to 25 parts of water depending on the application, the surface, and the severity of the soil. Allow solution to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Rinse thoroughly with clean water.

Food contact surfaces must be rinsed with potable water after using **DE-SCALE**. Avoid contamination of food in the use and storage of this product.

PLEASE NOTE: This product may have an adverse effect on certain porcelain, ceramic or antique finishes, terrazzo, and polished metallic finishes. This product should not be used on colored grout, marble or glazed surfaces. If uncertain, test on an inconspicuous area before using.
