For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Please Recycle.

NON-TOXIC • NON-FUMING
NON-CAUSTIC • NON-FLAMMABLE

TILE SHINE is a potent, water soluble cleaner and degreaser that removes tough greases, grime and oil residue from body oils, suntan lotions and oils, and sunscreen lotions from pool deck tile, cement, brick, bathroom and shower surfaces, and other pool area surfaces. It also quickly and easily removes rust, hard-water scale, soap scum, mold and mildew stains, and other heavy soils on contact.

DIRECTIONS:

Dilute 1 part **TILE SHINE** with 10 to 25 parts water depending on the surface and severity of the soil. Allow solution to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Rinse thoroughly with clean water.

Food contact surfaces must be rinsed with potable water after using **TILE SHINE**. Avoid contamination of food in the use and storage of this product.

PLEASE NOTE: This product may have an adverse effect on certain porcelain, ceramic or antique finishes, terrazzo, and polished metallic finishes. This product should not be used on colored grout, marble or glazed surfaces. If uncertain, test on an inconspicuous area before using.
