

DYNASTY DRAIN MAGIC

BACTERIAL DRAIN OPENER/MAINTAINER

THICK BODIED FORMULA
SINKS DIRECTLY TO THE CLOG

DANGER

Causes serious eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled.

KEEP OUT OF REACH OF CHILDREN
Net Contents: One Pint (16 fl. oz.)

DANGER: Causes serious eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled.

PREVENTION: Avoid breathing spray, mist. Wash thoroughly after handling. Wear eye protection, protective clothing, protective gloves. In case of inadequate ventilation, wear respiratory protection.

IF INHALED: If breathing is difficult, remove person to fresh air and keep comfortable for breathing.

If experiencing respiratory symptoms: call a doctor.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Dispose of contents/container to comply with local/regional/national/international regulations.

WARNING: This product can expose you to ethyl acrylate, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

DYNASTY DRAIN MAGIC utilizes the digestive abilities of naturally occurring bacteria to break up organic material (food waste, animal and vegetable fats, oils and undissolved soap residue) into smaller water-soluble particles. Bacterial activity will have little effect on clogs created by inorganic materials (plaster, film developing products and plastic articles). If you have a clog composed of these items, remove the inorganic matter first and use this product according to label directions.

DIRECTIONS:

TO REMOVE DRAIN BLOCKAGES:

Pour 2 ounces of **DYNASTY DRAIN MAGIC** into plugged drains. Its thickened formula will carry this unique product directly to the site of the stoppage. Allow drain to sit undisturbed for at least 6 hours, preferably overnight. Flush drain with hot water for several minutes to loosen clog and restore normal drain flow. If flow is not completely restored, repeat treatment.

FOR DRAIN MAINTENANCE:

Most drain clogs result from the accumulation of food materials on the inside of drain surfaces. Regular use of **DYNASTY DRAIN MAGIC** establishes an active bacteria population that works continuously to keep organic blockages from occurring. Adding 1 ounce of **DYNASTY DRAIN MAGIC** to drains once a week and allowing it to work overnight ensures that drains will remain open. For drains that receive large amounts of organic matter (kitchens and garbage disposals), increase the dosage to 2 or 3 ounces once per week.

NFPA* RATINGS:

Health: 2; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); Propylene Glycol (57-55-6); Linear Alcohol Ethoxylate (34398-01-1); Acrylic Polymer(s) (Not Hazardous); Protease (9014-01-1).
