Dispose of contents/container to comply with local/regional/national/international regulations.

OLEEN is a fantastic multi-purpose solvent. It is a powerful degreaser that attacks tough oils, greases and other surface contaminants to leave items clean and residue free. **OLEEN** is formulated to be equally effective in just about any industry, including packaging, printing and maintenance. **OLEEN** does not contain environmentally harmful CFC's or chlorinated solvents. Special emulsifiers in the formulation allow this solvent to mix with water. This ensures that surfaces can be rinsed completely, leaving no residue behind. Plus, it leaves behind a pleasant citrus fragrance as it works.

DIRECTIONS:

Spray or swab onto surface to be treated, allowing **OLEEN** to penetrate and flush away any grease, oils, or other surface contamination. Wipe surfaces dry.

NFPA* RATINGS:

Health: 2; Flammability: 3; Reactivity: 0
