DIRECTIONS: Good safety practices include the use of rubber gloves, protective clothing, and eye protection when using **RAMROD THERMO DRAIN OPENER**. While holding the product at arm's length, carefully pour 1 capful into slow-flowing drain opening and follow with a trickle of water. Let stand for 60-90 seconds. Repeat until drain is free-flowing. For regular drain maintenance, repeat this process on a weekly basis. For heavy deposit drains, use 2 to 3 capfuls several times per week as needed.

Never position head over drain opening. Do not use hot water or other chemicals with this product.

CONSULT PRODUCT LABEL FOR DETAILED USE DIRECTIONS.
